# Can OBAMA win Re-election? Demographics vs. Economics in the 2012 Election

## **Abstract**

Lincoln famously spoke of government “of the people, by the people, and for the people.” But who, exactly, are “the people”? Which demographic characteristics are the most politically significant? And who will actually turn out to vote? Dr. Ruy Teixeira, Senior Fellow at The Century Foundation and the Center for American Progress, will consider these questions against the backdrop of this year’s presidential campaign.
