EXPECTATIONS of STUDENTS: In order to get their money's worth and have fun with this class, students should want to work hard and think hard. Thus I assume all students will always attend class and complete all reading and paper assignments on time. There will be a 5 points per day penalty for any late papers. Students must contact the professor before the due date concerning any late papers or problems with exams. No electronics in class without permission.

Class participation and attendance will weigh heavily in deciding borderline grades. Make-up exams or will be given quite rarely. I only respond to email during normal business hours. I often respond to voicemails more quickly than email.
